

# **Ameren Illinois Update**

## **SAG Market Transformation Savings Working Group**

### **High Performance Windows**

October 7, 2025

## High Performance Windows (HPW) Market Transformation (MT) Initiative

- MT Work with Resource Innovations (RI):
  - Working through Business plan feedback and revision
- Collaboration Points:
  - RI and Opinion Dynamics
    - Theory Based Evaluation plan
    - Evaluation Interview Guide
  - RI, Nicor, and other IL utilities towards a statewide HPW offering pilot
  - RI and Partnership for Advanced Windows Solutions (PAWS)
    - Utility Working Group: Ameren Illinois to present on Storm Window Insert moving from pilot to channel
    - Affordability Working Group: working to provide window and attachment solutions to landlords, renters, and lower income communities
  - Minnesota Center for Energy and Environment (MN CEE) and Nicor Golden Carrot project to bring builder grade, lower price point high performance windows to market

**Energy Efficiency**
