

**SAG Equity Subcommittee Meeting:  
Thursday, September 18, 2025**

**Purpose of September 18 meeting:**

- To discuss minimum participation criteria that determines whether a home is weatherized and customer prioritization for major measures for the northern Illinois utilities' jointly implemented Home Energy Savings (HES) Income Eligible Single Family Upgrades Program.

**Excerpt from [ComEd 2026-2029 EE Plan stipulation](#):**

- The minimum attic insulation criterion that determines whether a home is weatherized in its HES program is R19, with the ability to bring the insulation level up to R49-R50. ComEd commits to working with stakeholders and related utilities, in 2025, to adjust the minimum participation criteria that determines whether a home is weatherized and customer prioritization for major measures in its Home Energy Savings (HES) aka IE Single Family Upgrades program. ComEd will not consider HVAC efficiency or lack of duct sealing opportunity (E&F Within 2025 Retrofits Prioritization Criteria Proposed changes) when prioritizing customers for HES weatherization services.

**Excerpt from [Nicor Gas 2026-2029 EE Plan stipulation](#):**

- Nicor Gas commits to engage in conversations with stakeholders, implementers, subcontractors, ComEd and Peoples Gas/North Shore Gas in the Equity Subcommittee regarding the existing minimum SF Retrofits Prioritization Criteria, including whether HVAC efficiency or lack of duct sealing opportunity (E&F within 2025 Retrofits prioritization Criteria Proposed changes) should impact the prioritization of customers for or ability to receive weatherization services.

**Excerpt from [Peoples Gas and North Shore Gas 2026-2029 EE Plan stipulation](#):**

- The Companies commit to discussing IE SF retrofit prioritization criteria in the SAG Equity Subcommittee.
