Natural Resources Defense Council (NRDC)	Conceptually supported the concept of this measure, but shared concerns about program design.		<a href="#">NRDC</a>

# Policy Issue: Electric Vehicle Measure

## IL Technical Reference Manual Next Steps:

- IL-TRM Deliverable #2 will be released on Friday, August 1
- Comments on Deliverable #2 are due Friday, August 15

## Next Steps for Proposed Electric Vehicle Measure:

- VEIC will not include the proposed EV measure in IL-TRM Deliverable #2. Objection(s) to VEIC not including these measures are due by the Deliverable #2 deadline.
- If any party objects, a non-consensus comparison exhibit will be prepared and circulated for review and feedback.
- If needed, a draft non-consensus comparison exhibit will be circulated by Friday, September 5.
