

SAG Policy Manual Subcommittee
Summary of Next Steps from July 11, 2023 Meeting

Section 8 Next Steps:

- Peoples Gas & North Shore Gas agreed with the SAG Facilitator that proposed edits to Policy Manual Section 8 (Total Resource Cost Test) related to beneficial electrification should not be discussed since there is an appeal pending in the ComEd Beneficial Electrification Plan docket. The Section 8 edits are final.

Nicor Gas, Peoples Gas & North Shore Gas Bill Impacts Policy Proposal:

- Ameren and ComEd will review edited language from July 11 meeting, and may follow-up with edits.

ICC Staff Prohibited Expenses Policy Proposal:

- SAG Facilitator will follow-up with Nicor Gas and ICC Staff about additional edits. An updated policy will be shared with the group next week.

Nicor Gas Electrification Energy Savings Policy Proposal:

- This was not discussed due to time constraints. Nicor Gas will present what language could be agreed to at the next meeting.

Final Policy Manual Meetings:

Wednesday, July 19 (9:30 am – 12:30 pm)

- Discuss feedback received on IQ policies from SAG Equity Subcommittee, IQ North EE Committee, and IQ South EE Committee
 - Feedback from these Committees is due Monday, July 17
 - SAG Facilitator will circulate feedback received on Tuesday, July 18
- Finalize minor redline edits on IQ policies
- Discuss proposed effective dates for all policies
- If time allows, discuss finalizing remaining open policies:
 - Prohibited Expenses
 - Electrification Bill Impacts
 - Electrification Energy Consumption Reduction

Thursday, July 20 (3:00 – 5:00 pm)

- Finalize remaining open items
