

SAG Evaluation Working Group

Celia Johnson, SAG Facilitator

July 14, 2021 SAG Teleconference Meeting

Working Group Overview

▶ Purpose:

- ▶ To discuss evaluation questions that are more technical in nature and may not be of interest to all large group SAG participants

▶ Background:

- ▶ In 2020, several 'small group' SAG meetings were scheduled to discuss evaluation questions related to COVID-19 impacts
- ▶ Creating a new category of 'small group' meetings may be confusing for participants
- ▶ Establishing a Working Group for evaluation will increase transparency and allow for easier participation
- ▶ Goal is for this to be an ongoing Working Group; meetings will be scheduled as-needed
- ▶ Annual evaluation plan presentations, annual NTG process will stay in large group SAG

Working Group Overview (cont.)

- ▶ **Working Group Website:** <https://www.ilsag.info/evaluation-working-group/>
- ▶ **Participation:** Open to all interested SAG participants, unless a topic may present a financial conflict of interest. SAG participants are invited to self-select into the Working Group.
- ▶ **Additional 2021 Topics:**
 - ▶ Follow-up discussion on heating penalties and negative savings, raised by Guidehouse in 2020
 - ▶ Review draft resolution document (circulated for review in Feb. 2020)
 - ▶ Discuss additional questions: 1) How should evaluation treat measure installations that result in negative savings? 2) How should evaluation treat projects that result in negative savings due to unexpected customer or trade ally action?
 - ▶ Other topics - TBD, if needed
