SAG Portfolio Planning Process Overview

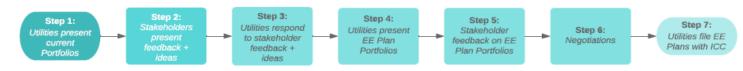

Celia Johnson, SAG Facilitator Annette Beitel, IQ South Advisory Committee Facilitator October 26, 2020 SAG Meeting

SAG Portfolio Planning Process

- Objective: To reach consensus on Illinois utility EE Plans for 2022-2025
 - A forward-thinking, consensus-seeking process to discuss foundational issues to EE Plan development, including: budgets, Portfolio objectives, program ideas, and program design
- Participation: Key steps to the Large Group SAG Planning Process have taken place via joint meetings with the Income Qualified (IQ) North and IQ South EE Advisory Committees
- Final Negotiations: At the conclusion of the Planning Process this fall, final negotiations will be held with utilities and non-financially interested stakeholders
- ICC Filing: Utilities will file EE Plans with the Commission for approval on or before March 1, 2021

2020 Planning Process Steps to Date

- March: Utilities presented overview of current EE Portfolios
 - March 10 meeting + March 11 meeting
- April 27: Energy Efficiency Ideas Due
 - ► 2020 Energy Efficiency Ideas
- May + Early June: Energy Efficiency Idea Presentations
 - May 12 meeting + May 13 meeting + June 3 meeting
- June: Utilities provided initial response to Ideas
 - ► June 16 meeting + June 17 meeting
- Additional topics: Utility Potential Study results; evaluation planning; COVID-19 impacts; equity hiring and workforce development
 - See <u>SAG Portfolio Planning Process page</u> for additional meeting links

Final Planning Process Steps

- **October 26-27:** Utilities present preliminary draft 2022-2025 EE Portfolios
 - Presentations will focus on an overview of preliminary EE Portfolios questions on other materials are encouraged
 - Meeting Materials:
 - Portfolio Overview Presentations
 - Utility-Specific Portfolio Summary Tables (Excel)
 - Updated TRC Inputs Table (originally presented in June)
 - Updated Utility Response to EE Ideas Table (originally presented in June)
- November 16-17: Opportunity for SAG, IQ North and IQ South Committee participants to provide initial feedback

Initial Feedback on 2022-2025 EE Portfolios

- Purpose of November 16-17 meetings: For SAG, IQ North and IQ South Committee participants to provide initial feedback on preliminary utility 2022-2025 Portfolios
 - If SAG or IQ Committee participants have feedback to share on preliminary portfolios, please notify me <u>no later than Friday, November 6</u>
 - I will follow-up with parties interested in sharing feedback
 - Summary of topics/feedback is <u>due by Thursday, Nov. 12</u>
 - Feedback will be presented during Nov. meetings
 - Final meeting timing will depend on how many parties are interested in sharing feedback
 - Agendas will be organized by topic area (for example: IQ residential feedback, non-IQ residential feedback, business program feedback, etc.)
 - Meetings will be held via Zoom
 - During Nov. meetings, utilities can also answer follow-up questions raised in October (if needed)

Final Negotiations

- Negotiations will begin in early December
 - Participants = utilities and non-financially interested stakeholders
 - Participants may be asked to sign Confidentiality Agreements
 - > If consensus is reached, participants will be asked to sign utility-specific Stipulated Agreements
- Non-financially interested stakeholders = parties that do not have a financial stake in the utility EE Portfolios
 - A "financially interested party" may gain undue advantage or benefit by participating in negotiations
 - See Financial Conflict of Interest 'process rule', pages 9-10 of <u>SAG Process Guidance</u>
- Key steps for negotiation schedule:
 - 1. Reach conceptual agreement with each utility by January 15
 - 2. Finalize stipulated agreements by end of January
 - 3. Utilities file EE Portfolio plans with ICC on or before March 1 (if consensus is reached, stipulated agreements will be filed in individual utility dockets)

IQ South Committee: Ameren IL and Nicor

Statutory Directive for IQ South Committee

- "The electric utilities shall also convene a low-income energy efficiency advisory committee to assist in the design and evaluation of low-income energy efficiency programs.
- SAG Process: Time limited
- IQ Committee Process: Feedback is ongoing. However, certain elements of next four-year plan will be "locked down" once plans filed on March 1 of 2021.
 - ▶ IQ Program Budgets and Savings Targets
 - "Stipulations" related to IQ portfolio and programs (and rest of the EE portfolio)

Small Group CAA/CBO Focus Group Meetings

- Organized by the IQ S Facilitator team, both Ameren IL and Nicor have held "small group" CAA/CBO-only focus group meetings to solicit feedback on a variety of proposed IQ programs emerging from the SAG process, IQ committee process and current portfolios.
- Some high-level comments will be presented by Ameren IL and Nicor in this series of meetings.
- More detailed feedback will be presented in the SAG November feedback meetings by the CBOs/CAAs themselves.
