1:45 – 2:00 pm	Reminder on Open Market Transformation Policy Questions <ul style="list-style-type: none"> • Brief overview of open policy questions raised by Resource Innovations in July 2019 Cover Memo. <p>Policy Questions:</p> <ol style="list-style-type: none"> 1. How, if at all, will MT savings be incorporated into utility goals (gas and electric), portfolio cost-effectiveness, and utility performance incentives (electric)? 2. Will adjustments in the Natural Market Baseline be applied retrospectively or prospectively? 	Nick Dreher, MEEA

Time	Agenda Topic	Discussion Leader
	<p>3. For what duration will continued market savings be credited to the utility after active utility engagement has ended or been reduced significantly?</p> <p>4. Related to the duration of counting savings, savings will likely accrue in an energy efficiency planning cycle that has not yet been approved, and significant costs may be in a prior cycle. Will savings in future planning cycles be counted and if so, how?</p> <p>Purpose: To remind Working Group participants of open market transformation policy questions. Policy questions will be further discussed in the January MT Savings Working Group meeting.</p>	
2:00 – 2:30 pm	<p>ComEd Update on Market Transformation Initiatives</p> <ul style="list-style-type: none"> • Overview of ComEd Market Transformation Initiatives in 2020. <p>Purpose: To educate Working Group participants on ComEd’s market transformation initiatives; answer questions.</p>	Jim Fay, ComEd
2:30 – 2:40 pm	Break	
2:40 – 3:50 pm	<p>Code Field Study Results</p> <ul style="list-style-type: none"> • Background on code compliance programs in Illinois (Jim Fay). • Overview of code field studies in Illinois (commercial and residential) to determine current energy code compliance. • Discuss residential code field study results and trends. • Discuss preliminary commercial code field study results and trends. • Elements of a potential Market Transformation Code Program. • Next steps for codes from a market transformation perspective. • Q&A <p>Purpose: To educate Working Group participants on results from residential and commercial codes field studies in Illinois; answer questions.</p>	<p>Alison Lindburg, Midwest Energy Efficiency Alliance (MEEA)</p> <p>Jim Fay, ComEd</p>
3:50 – 4:00 pm	Closing and Next Steps	Celia Johnson, SAG Facilitator
