

DRAFT – For Discussion Purposes Only

Stakeholder Advisory Group

June 2, 2008 Meeting

Confidentiality “Straw Man”

Presenter: Keith Martin - Ameren

Objective

To identify material that shall be kept confidential in the Stakeholder Advisory Group process, and only released to those participants who are: (1) not financially interested and (2) have signed a confidentiality agreement (attached).

Confidential Material

The following material shall be considered confidential:

1. Utility forward price curves
2. Contractor pricing information, including labor rates, contract amounts
3. Bid evaluation results, including bid evaluation scores
4. Specific customer data, whether customer-identifying data masked or not

The following material shall not be considered confidential:

1. Program performance results
2. Program cost-effectiveness tools or calculators

Other items may be added to the above lists at a later date.

Attachment: Confidentiality Agreement
