# OBF Participation

SB 1652  
16-111.7

(i) The source of a utility customer's electric supply shall not disqualify a customer from participation in the utility's on-bill financing program. Customers of alternative retail electric suppliers may participate in the program under the same terms and conditions applicable to the utility's supply customers.

# Expansion Of OBF To All Measures

SB1652

Sec. 16-111.7

(a) The Illinois General Assembly finds that Illinois homes and businesses have the potential to save energy through conservation and cost-effective energy efficiency measures.

Programs created pursuant to this Section will allow utility customers to purchase cost-effective energy efficiency measures, **including measures set forth in a Commission-approved energy efficiency and demand-response plan under Section 8-103 of this Act and that are cost-effective** as that term is defined by that Section, with no required initial upfront payment, and to pay the cost of those products and services over time on their utility bill.
