Action Items (Day 2)

ComEd Potential Study – Draft Forecast (Peter Lemoine, ICF)

- **Action Items:**
 1. ICF will provide additional information on the split between private sector and public sector CHP potential.
 2. ICF/ComEd to schedule a follow-up call to discuss CHP Potential Study results with Midwest CoGen Association and Energy Resources Center/UIC.
 3. ComEd will provide final Potential Study results to SAG by the end of March.

Next Steps

- The March SAG meeting will be held on Monday, March 28 and Tuesday, March 29 at MEEA.
