Stakeholder Objections Due: 2/15/17

See full IL TRM v.6 Update Schedule for more description

Process for Submitting New Items

- SharePoint Request [Tracker](#)
- Workpaper [Template](#)

Enhancements for This Cycle

- Process for “Reliability” Review
 - Establish a process for review and update for “stale” measures
 - Identify measures to include
 - Decide the appropriate level of review and update
 - Prioritize relative to work on new measures
- Provide sufficient funding to allow research and discussion of TAC items after formal TRM is completed

Illinois TRM 2015-16
